Fathers in Our Lives

We give our thanks, Creator God, for the fathers in our lives.

Fatherhood does not come with a manual, and reality teaches us that some fathers excel while others fail.

We ask for Your blessings for them all and forgiveness where it is needed.

This Father's Day we remember the many sacrifices fathers make for their children and families, and the ways--both big and small--they lift children to achieve dreams thought beyond reach.

So too, we remember all those who have helped fill the void when fathers pass early or are absent; grandfathers and uncles, brothers and cousins, teachers, pastors and coaches and the women of our families.

For those who are fathers, we ask for wisdom and humility in the face of the task of parenting. Give them the strength to do well by their children and by You. In Your Holy name, O God, we pray.

Amen.

I Love You Dad

*What can you say to someone who has always been
One of the most essential parts of your world,
Someone who took you by the hand when you were little
and helped to show the way?*

*What do you say to someone who stood by to help you grow
Providing love, strength and support
So you could become the person you are today?*

*What can you say to let him know that he's the best there is
And that you hope you've inherited some of his
wisdom and his strength?*

*What words would you say if you ever got the chance?
Maybe you just say, I love you Dad
And hope he understands.*
