#### A Stewardship Moment— 4th Sunday of Easter

Jesus uses a figure of speech to describe Himself in relation to us. He is the Shepherd who knows His sheep and is known by them, and they follow Him. Just as the shepherd guides his sheep from wolves, Jesus guides and guards us against sin. Stewardship requires us to take what Jesus shows us in the spirit and bring it to practical uses in this day-to-day world. We are grateful for His faithful care for us and all those that He has given us to care for.

A little rain did not stop the beautiful procession of the Pilgrim Virgin Statue of Fatima into the church on May 3.
